

# ATTENTION STUDENT BROOMBUSTERS

Please help us in the fight against invasive broom and gorse. These foreign plants threaten our island because they:

- are an extreme fire hazard
- spread rapidly and destroy habitat
- kill local plants and poison soil

Design a  
**Broom Eradication POSTER**  
Best poster design will win YOU \$50.

Enter the Contest!  
Details from Biology and Art Teachers,  
SSI Library, or online at:
