

Post Trip Activity

TOPIC: Intertidal Ecosystem

THEME: The intertidal area of Burgoyne Bay is rich in natural and cultural features.

MATERIALS: Jeopardy Game designed by Kate Leslie.

POST-TRIP: In Class

1. Ask for a review of highlights of the field day.

Create a sharing circle in the classroom or outside of the classroom where students sit and use a talking stick. Go around the circle allowing each student time to speak.

2. The facilitator then divides the class into teams to play “Jeopardy.”
