Date

Dear Parent,

The Salt Spring Island Conservancy is pleased to be offering your child the Stewards in Training Program designed for Grade 8 students – Water Systems on Earth. The program is wholly sponsored by the Conservancy, with funding by the Government of BC, Thrifty Foods (Smile Cards), and ongoing fundraising by the Society.

The program runs from _____ with will examine: How ocean water differs from freshwater; water quality measurements; microscopic examination of ocean plankton and pond invertebrates; and pollution scenarios for Ganges Harbour.

If you are interested in participating in this program, please contact your child’s teacher and they can let you know the exact hours and dates and your child’s program. There is a variety of classroom time and field time, if you are considering joining in. The usual Criminal Record Check quality assurance is required to be on hand at the school.

Sincerely,

Schools Program Coordinators

(tear off here) -----

Yes, I would like to volunteer with my child’s class for the Stewards in Training Program on Water systems.
